

Have you got local knowledge?

Can you help US to help YOU?

Broxbourne & East Herts and North Herts Community Voluntary Services (CVS) are working jointly to compile a 'Herts Local' directory of activities in Hoddesdon and Stevenage that would be of interest to elderly people to help reduce isolation and generally improve quality of life.

We know there are listings and info in the usual places, but we need to hear about the activities, groups and individuals that often don't get the chance to promote themselves. Those people trying to make a difference, so that we can help support their efforts and increase their numbers.

Do you know of any groups or activities like this that take place in the Hoddesdon or Stevenage area that would benefit from support and promotion?

If so, Oonagh would love to hear from you on **01462 689 400** or **07340 513 680** for a chat or further info.

Alternatively, email oonaghsherlock@nhcvs.org.uk

Thank you
