

Personal Safety and Lone Working

Is this the right course for you?

This course is suitable for anyone working alone or in a setting where potential conflict may arise.

"I found it a good training session with relevant information and pitched just right. I got a lot out of it"

Key learning outcomes:

Participants completing this course will:

- Be able to risk assess a situation
- Be aware of what needs to be included in a Lone Worker Policy/Procedures
- Know how to manage different lone working situations:-Outreach, Public Access Areas, Out of hours working
- Learn how to manage unpredictability:- Respond positively and quickly to an incident, the impact of body language and words and a method of defusing aggressive behaviour

What will the course cover?

In this three-hour, interactive student-centered course, delegates will acquire the knowledge and skills to stay safe in the workplace, whilst travelling or during a home visit.
